

Used machine data sheet DMG DMC 635 VP

Vertical machining center

Machine type: DMG DMC 635 V / P

Control: Heidenhain iTNC 530

Year: 2010

Used machine DMG DMC 635 VP

SPECIFICATIONS:

Travel:

X-Axis: [mm]	635
--------------	-----

Y-Axis: [mm]	510
--------------	-----

Z-Axis: [mm]	460
--------------	-----

Spindle speeds: [rpm]	10.000
-----------------------	--------

Tool:	SK 40
-------	-------

Toolchanger

Tool capacity:	30
----------------	----

Palett system

Amount of paletts:	2
--------------------	---

Table size: [mm]	560 x 790
------------------	-----------

Equipment:

Internal cooling: [bar]	
-------------------------	--

Electronical handwheel	
------------------------	--

Optional with service package

Professional and comprehensive service for our customers has always been a cornerstone of our business. Together with our cooperation partner 5X Machines GmbH, we offer you a professional service tailored precisely to your needs when you purchase a machine.

Would you like to organize the transport yourself or have the maintenance of a used machine carried out by your own technicians? From the low-cost Basic package to the comprehensive Premium package, you will receive the right combination of services with an optimum cost-benefit ratio when purchasing a used machine.

High-Quality machines for individual requirements

For more than 100 years we have been your partner for machine tools worldwide. Our company Specialization lies in the purchase and sale of used machines for the following areas: Mechanical engineering, vehicle construction, electrical engineering, precision mechanics and optics, aircraft construction, plastics processing and much more. A special focus of our assortment are lathes, machining centres and bed milling machines from renowned manufacturers such as DMG, DMG Mori, Mori Seiki, Hermle, Hedelius, Weiler and Doosan.

Everything we do focuses on the individual needs of our customers. We supply modern manufacturing companies with high-quality machines and thus make a significant contribution to their business success.
