|------------|--------------------------------------------|

|                |                               |
|----------------|-------------------------------|
| Tipo macchina: | Scharmann Ecocut 1.1<br>(CNC) |
|----------------|-------------------------------|

|            |                     |
|------------|---------------------|
| Controllo: | Heidenhain iTNC 530 |
|------------|---------------------|

|                      |      |
|----------------------|------|
| Anno di costruzione: | 1986 |
|----------------------|------|

|                                 |      |
|---------------------------------|------|
| Revisione generale<br>eseguita: | 2011 |
|---------------------------------|------|

Alle Maschinen optional mit

✓ **SERVICE-PAKET**

Abbau - Verladung - Transport - Inbetriebnahme

**SPECIFICHE TECNICHE:**

Percorsi:

|              |       |
|--------------|-------|
| Asse X: [mm] | 1.600 |
|--------------|-------|

|              |       |
|--------------|-------|
| Asse Y: [mm] | 1.300 |
|--------------|-------|

|              |       |
|--------------|-------|
| Asse Z: [mm] | 1.200 |
|--------------|-------|

|        |      |
|--------|------|
| Asse B | 360° |
|--------|------|

|                       |            |
|-----------------------|------------|
| Regime di giri: [rpm] | 12 - 3.000 |
|-----------------------|------------|

|                       |    |
|-----------------------|----|
| Potenza motrice: [kW] | 22 |
|-----------------------|----|

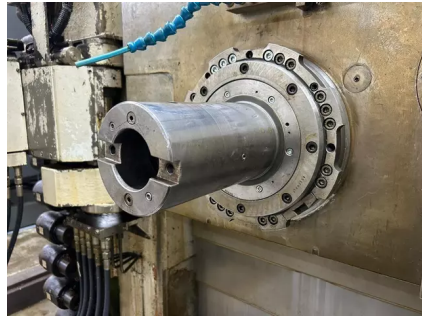

|                               |       |
|-------------------------------|-------|
| Dispositivo<br>portautensile: | SK 50 |
|-------------------------------|-------|

|                      |    |
|----------------------|----|
| Postazioni utensili: | 54 |
|----------------------|----|

|                     |               |
|---------------------|---------------|
| Misura tavola: [mm] | 1.200 x 1.000 |
|---------------------|---------------|

|                         |        |
|-------------------------|--------|
| Carico max tavola: [kg] | 12.000 |
|-------------------------|--------|
